

*What's better than
group pampering?!*

SERVICE OFFERINGS

FACIAL

Our facials cleanse and exfoliate the skin while nourishing it. It's customized to your skin's needs to promote skin rejuvenation.

HYDRAFACIALS

HydraFacials use patented technology to cleanse, extract, and hydrate. Special serums are penetrated deep into the skin, giving you that HydraFacial glow!

MASSAGES

Relax and relieve muscle tension with a massage where the techniques will be tailored to your body's needs and preferences.

NUTRITIONAL IVS

IVs provide a host of benefits such as a increased energy, added hydration and a boost of nutrients. Our IVs are enjoyed inside our Halotherapy salt room!

SCALP SERVICES

Hayur Scalp Spa

This service is tailored to your scalp and hair needs. It includes a scalp cleanse with a shoulder, neck and scalp massage, essential oils and hair mask.
